## 6. Sunday tours

On Sunday 8<sup>th</sup> October, in the afternoon we propose to you to discover Bolzano surrounding. Also in this case, you can choose among different tours. Please tick your favorite one.

***The Ritten Plateau***

 <p>On the Ritten nature lovers can experience variety and surprises again and again. Through this wonderful landscape lead countless walking-tours for every taste. Everywhere tourists enjoy a view, which is marvellous. On our high plateau no mountains block the view, and so the panorama of the ice-covered giants of the alpine main range curves to the bizarre rock towers of the Dolomites and to the closer Sarntaler alps.</p>	
<p><b><i>Merano</i></b></p>	
 <p>The town is a famous, elegant South Tyrolean health resort with a historic town centre, 324 metres above sea-level, in a beautiful setting where three valleys, the Vinschgau, the Etsch and the Passier, come together.</p> <p>Exploring the town is one of the great pleasures of the holiday. The quaint Medieval centre has arcades, narrow lanes and interesting architectural features. The town and its surroundings, contain many fascinating historical buildings and works of art which testify to the town's eventful past.</p>	
<p><b><i>Carezza Lake and Costalunga pass</i></b></p>	
 <p>The Costalunga Pass, revealing an extraordinary vista of the Latemar, the oldest Dolomite group in the area. Meadows full of flowers, green fields, and shady woods suggest for quietness and relax. Picturesque churches and idyllic villages maintaining their original aspect.</p> <p>Carezza Lake is a truly splendid sight, with its limpid water revealing the lake bottom, the pearly reflections off the pine trees of the surrounding woodland, and the profile of the Latemar, also captivating 19th century tourists for whom it was a favoured spot.</p>
